Faculty

Linda G. Gallagher is the award winning founder of TechComPlus, LLC, a Colorado technical communication firm, specializing in creating usable documentation and tutorials. She is a FrameMaker expert user, with nearly 15 years of experience, and has taught FrameMaker for the Society of Technical Communication. Ms. Gallagher has spoken at many national conferences and is an STC Fellow.

John Daigle is president of Evergreen Online Learning, LLC, based in Evergreen, Colorado. A frequent speaker at national online help conferences, John is an Adobe Certified RoboHelp and Captivate and Acrobat Connect Professional Instructor. He has taught RoboHelp since 1992 and RoboDemo/Captivate since the products were introduced. John is a member of the Society for Technical Communication.

Register Today

Metro State students should register for the 2-credit hour classes using MetroConnect. For more information, or to register for no credit (auditors) call 303-721-1313, or register online at www.mscd.edu/extendedcampus. These courses count as an elective for the technical communication major and the technical writing and editing certificate available in Technical Communication & Media Production department at Metro State. For more information on these programs, call Kathy O'Donnell at 303-556-4756.
